Sir:

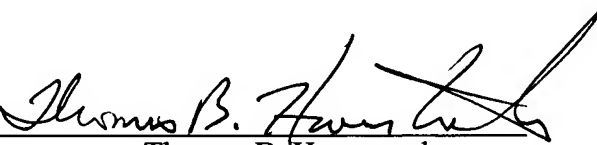

The Applicants make this petition under 37 C.F.R. § 1.10(e) to accord a filing date to Supplemental Declarations filed in this case with the United States Patent Office on September 22, 2003. In accordance with § 1.10(e):

1. This petition is filed promptly after the Applicants became aware that USPTO has no evidence of receiving the Supplemental Declarations. (Haverstock Decl., ¶ 3)
2. The number of the "Express Mail" mailing label was placed on the correspondence containing the Supplemental Declarations and fees that constitute the correspondence before the original mailing by "Express Mail." (Palladino Decl., ¶¶ 2, 4, and Exhibit 1)
3. Filed with this Petition are copies of the originally deposited Supplemental Declarations showing the number of the "Express Mail" mailing label thereon and a copy of the "Express Mail" mailing label showing the "date-in" of 9-22-03 and bearing a September 22, 2003, date stamp.
4. Filed with this Petition are a Declaration of Annette Palladino in Support of the Petition to Accord a September 22, 2003, Filing Date to Supplemental Declarations; and a Declaration of Thomas B. Haverstock in Support of the Petition to Accord a September

22, 2003, Filing Date to the Supplemental Declarations. Together, the Declaration of Annette Palladino and the Declaration of Thomas B. Haverstock establish the original deposit of the Supplemental Declarations and also establish that the copy of the Supplemental Declarations and the Customer Copy of the "Express Mail" mailing label included are true copies of the originally mailed Supplemental Declarations and the Customer Copy of the "Express Mail" mailing label.

Respectfully submitted,  
HAVERSTOCK & OWENS LLP
